

A guide to finding a JCI Official or Recommended Course Trainer

Go to JCI.CC and log in

The screenshot shows the JCI website's login interface. On the left is a navigation menu with the JCI logo at the top, followed by links for ABOUT, NEWS, EVENTS, PROJECTS, and CONNECT. Below these are a search bar, a LOGIN button, a SIGN UP button, and an ENGLISH language selector. The main content area is titled "Sign in" and contains an "Email" input field with the text "rumzo32@hotmail.com", a "Password" input field with masked characters, and a "Remember me" checkbox. A blue "SIGN IN" button is positioned below the password field. At the bottom of the sign-in area, there are links for "Sign in", "Sign up", "Forgot your password?", "Didn't receive confirmation instructions?", and "Didn't receive unlock instructions?".

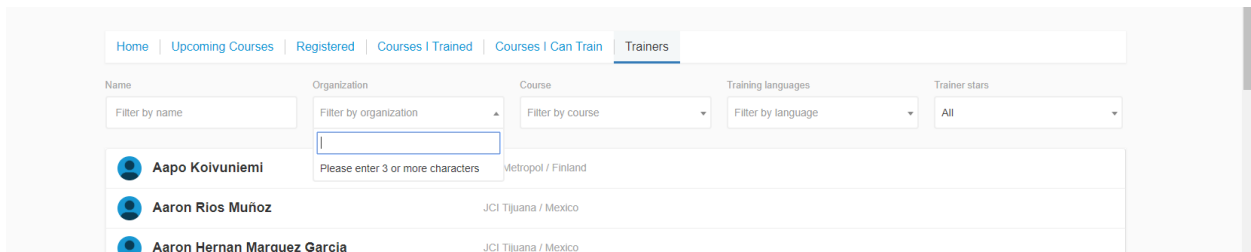

Then select Skills Development from the menu on the left

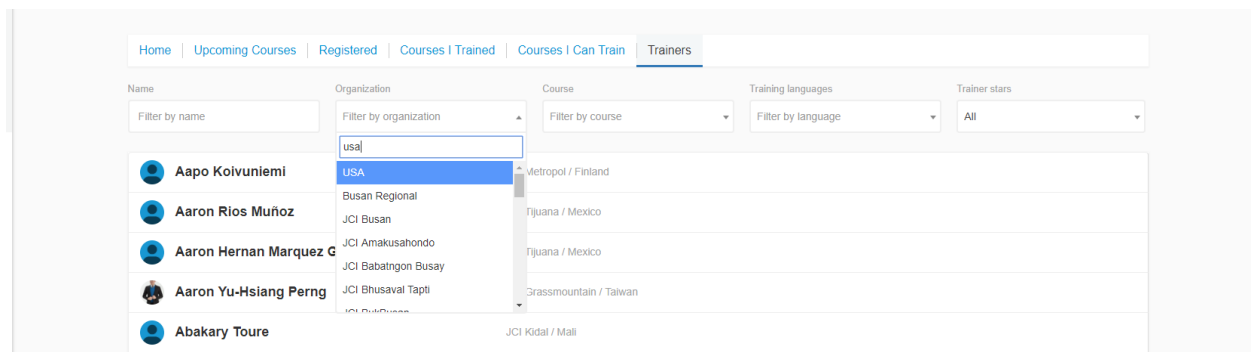

Then select Trainers from the menu across the top

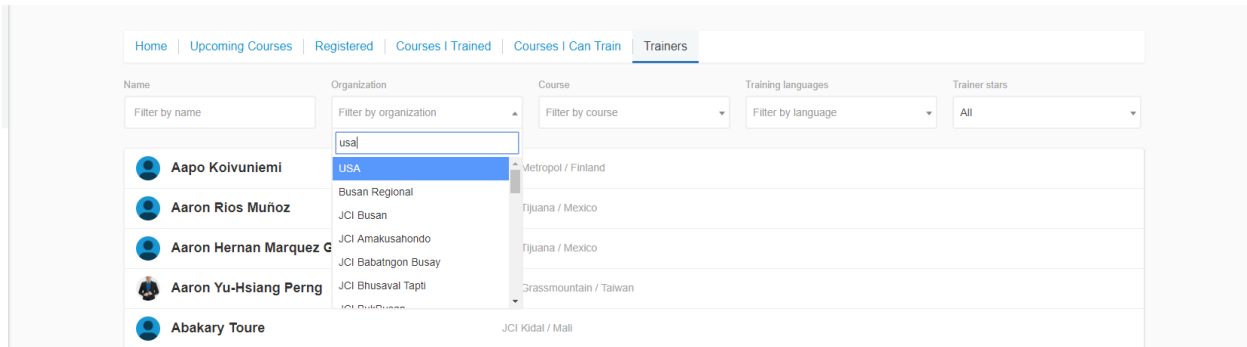

Next go to the Organization Drop Down and click in the box

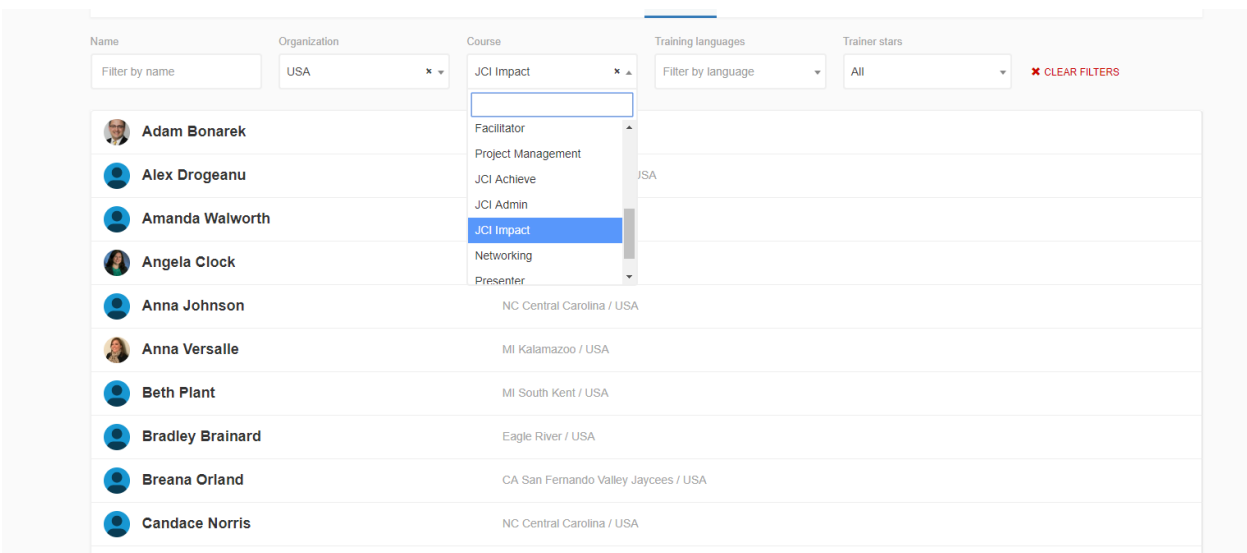

Use USA as your search characters

You will now see a list of trainers for the United States and you can see their home state and chapter.

You can then use the Course drop down to select which course you are looking for Trainers and see who is certified to train.

You can click on the name of the trainer to open their profile screen – this will give you their contact info so you can reach out to that Trainer to check availability and work on getting the course scheduled.

Courses can only be scheduled by a Local Organization President. Once you have determined the course, figured out that date, time, and location, and if there will be a charge for attendance then you will need to work with a Local Organization President to setup the course for registration within the JCI system.
